El Paso, Tex., May 2.-American troops will remain in Mexico, their operations restricted to a limited area, until the Carranza government has wiped out the bandit menace to American border cities. This alternative to the request of General Alvaro Obregon, Mexican Minister of War, that the expeditionary force be withdrawn at once, was accepted by the Carranza government, but accepted reluctantly.

These facts were obtained late to-night from reliable sources after a conference between General Hugh L. Scott, Chief of Staff of the United States army, and General Obregon, which lasted from noon until far into the night. Signing of the agreement to-morrow is expected to conclude the con-
